

Become a Certified Processed-Free Facilitator!

Are you a practitioner who wants your clients to know more about the importance of nutrition?

You may already be doing private teaching, but would it be easier if you had a plug-and-play presentation to help you change lives about nutrition?

Now there's an easy way for you to teach *The Science of Skinny!*

Already required reading at Nutrition Institutes and a source book for support groups around the country, *The Science of Skinny* provides the understanding that everything that grows naturally is perfect in its whole form.

Dee has developed a 9-hour DVD training program to get you up to speed on how to teach the nutrition concepts in *The Science of Skinny*. As a trained Processed-Free Facilitator, you'll get access to all of the PowerPoints and online videos that will help you teach this life-changing program to your community.

People have lowered cholesterol, reversed diabetes, and lost up to 100 pounds by following the guidelines in the Science of Skinny. [For some testimonials, click here](#) .

If you are ready to be an agent of change, and want to teach *The Science of Skinny* nutrition concepts to your community, [click below to learn more!](#)
